

## Qualified Vendor Application

The Oregon City Arts Commission is pleased to release this Qualified Vendor Application. **Individual artists and artist teams from a variety of disciplines are encouraged to apply.**

The goal of this Qualified Vendor Application is to identify eligible artists who would like to be considered to complete needed restoration efforts for Oregon City's public artworks. City staff will share Qualified Vendor information with property owners interested in the Public Art Renovation Grant program. Vendor applications will be retained for future project consideration as well as the current Public Art Renovation Grant program. The Arts Commission will retain qualified vendor applications for a period of five years following the application deadline.

### Potential Projects

The Oregon City Economic Development Department manages the Oregon City Public Art Renovation Grant program. Please see the Public Art Renovation Grant Guidelines on the City of Oregon City website in the Arts Commission section (<https://www.orcity.org/763/Arts-Commission>).

Interested applicants are encouraged to review the Public Artwork Assessment Report available on the Oregon City Arts Commission page. The restoration projects identified in this report will be among the first projects for which the City of Oregon City will refer to a standing list of Qualified Vendors (Artists, Art Historians, Tradespeople and Related Professionals).

PLEASE NOTE: In addition to submitting a response to be placed on a Qualified Vendor List, artists are welcome to team with a private property owner and apply directly to the Public Art Renovation Grant program. The Grant Guidelines and application are available on the Oregon City Arts Commission section of the City of Oregon City website.
