### RESIDENTIAL CERTIFICATE OF LIGHTING FIXTURES

*This form must be submitted to the Building Division before the issuance of the Certificate of Occupancy*

By signing this form, I am certifying that the project at the address listed below will conform to the provisions of section N1107 of the 2023 Oregon Residential Specialty Code.

This section reads as -

*N1107.2 High-efficiency interior lighting. All permanently installed lighting fixtures shall be high-efficiency light sources. The building official shall be notified in writing at the final inspection that the permanently installed lighting fixtures have met this requirement.*

*Exception: Two permanently installed lighting fixtures are not required to be high-efficiency light sources when controlled by a dimmer or automatic control.*
