## WHAT'S THE DEAL WITH... | THE CLEAN UP CART

If you take a book off the shelf that you don't want to take home, please put it on the purple Clean Up cart next to the reading nook!

In order to help people find the books they need, our staff need to make sure everything gets shelved in exactly the right place. If you or your child puts it back in the wrong place (even if it's just a little bit off), it can get "lost" for a long time before a staff member finds it.

We appreciate that so many parents in our community want to help keep our library tidy and teach their kids good habits. And don't worry if your kid takes a bunch of books off the shelf or feel bad about "creating more work" for us! We love that kids feel confident exploring the library and like having all of the books to reshelve gathered in one place.
