### WHAT'S THE DEAL WITH... | THE DISPLAY SHELF

Each month brings its own set of popular themes, from seasons to holidays and heritage months. To highlight relevant books and make it easier to find high-demand topics, we put them on the Display shelf near the New & Lucky Day section. We also include Staff Picks to fill empty spaces and share some of our favorites with you.

These books are available for checkout, so please take any that interest you! We include a sign listing the monthly holidays, heritage months, and other themes. If you have any suggestions for holidays or occasions you'd like us to include in future displays, please share them with a staff member!
