

IF I WERE MAYOR...

ANIMAL SHELTERS

The second thing I would do as mayor is make more animal shelters. There are a lot of animals that don't have homes. I know lots of families that want a dog but they can't find the perfect pet. I would work with the humane society to do a fundraiser to get money to build the shelters.

The third thing I would do as mayor would be to paint murals all around the city to make Oregon city a more welcome and colorful. I would make the murals on public building like the library and public schools.

OREGON

SAFE SIDEWALKS

If I were mayor the first thing I would do is make safer sidewalks all around the city. Lots of roads in Oregon City don't have sidewalks. I know that people like to walk on some of those busy roads but they can't because there is not a sidewalk. I will work with a construction crew to build safe and accessible sidewalks.

CLEAN RIVERS

If I were mayor another thing I would do is make our rivers cleaner and healthier. To do that I would make volunteer groups to go and clean up our beautiful rivers.
