WHAT'S THE DEAL WITH... | SUMMER READING

We offer Summer Reading challenges for all ages: kids (age 0-11), teens (age 12-17), and adults (age 18+).

Kids set a daily reading goal, then keep track of the days they meet their goal. Reading on 7 days and completing weekly activities earns tickets for the grand prize drawing. Kids get a free book for signing up and a free ice cream cone from Mike's Drive-In (and other cool prizes) if they read on 42 days between June 1 and August 31.

To keep track of the 1,000+ readers who participate each year, everyone needs to register in Beanstack at orcity.beanstack.org or in the Beanstack app. If you don't want to use the website/app every day, you can complete the entire program offline using a paper reading log and enter your reading in Beanstack by August 31.

If you have questions, stop by the Children's Desk! We're happy to help you sign up and make reading recommendations for the summer.
