### WHAT'S THE DEAL WITH... | THE PARENTING COLLECTION

Do you need a book to help structure a conversation with your child on sensitive topics like the loss of a pet, potty training, or the changes in their body as they grow up?

Our Parenting Collection has books to share with kids age 0-14. While they're mostly picture books to read side-by-side, there are also books for parents and older kids to read independently and discuss together. Nonfiction books on parenting topics for adults are shelved upstairs in our Adult Nonfiction section.

Don't be afraid to ask staff for help if you're having trouble finding what you're looking for! We're compassionate, nonjudgmental, and will keep all of your questions private.
