	<i>Description: A partial closure of the road for environmental cleanup on the cliff next to Singer Hill Road. Road closure is expected to take place for 3 days. The closure of the lane shall only be between 9am and 3pm. The environmental cleanup is within a geological hazard area and will require a geotechnical engineer to be on site during the work for monitoring the stability of the hillside/wall as well as provide the City with field reports of the work. Archeological monitoring will also be needed on site. Road closure shall adhere to the attached MUTCD traffic control plan.</i>
