City Approval: Signature _____ Date _____

Once approved, the approval sticker is required to be placed on the sign in a visible location. Each location requires a separate permit. The permit shall be valid if the sign is erected and maintained in compliance with city code, and the applicant did not misrepresent or falsify any information supplied in the application. Any permit issued shall be void if no substantial physical action be taken, in accordance with any conditions of the permit and the applicable requirements of OCMC Chapter 15.28, within ninety days following the date of its issuance. Any permit issued shall remain in effect for the remainder of the calendar year as long as the sign is maintained in compliance with any permit conditions and all applicable provisions. Signatures represented must have the full legal capacity and hereby authorize the filing of this application and certify that the information and exhibits herewith are correct and indicate the parties' willingness to comply with all code requirements. The sign owner shall assume all liability associated with a sign within the right-of-way regardless of whether a permit is required.

Placement Standards

Signs shall **NOT** be placed in parking spaces, pedestrian pathways, or bicycle paths, street corners, transit stop areas, ADA accessible curb ramps, ADA accessible parking spaces, at building exits or fire escapes, or any portion of the street (automobile and bicycle travel lanes, shoulder, medians, traffic islands, and parking areas). The sign may not obstruct pedestrian or ADA access from the sidewalk to transit stop areas, designated ADA accessible parking spaces, ADA accessible ramps or building exits including fire escapes. Signs may not impede or hinder the vision of drivers or bicyclists. The sign shall be located entirely outside of the area of a right-of-way corner that is between the curb and the lines created by extending the property line to the curb face. Signs placed within the right-of-way shall not obstruct traffic control signs or devices.

Signs in the Right-of-Way with an Adjacent Sidewalk

The sign shall be placed within six (6) inches of the face of the curb. Four (4) feet of clearance width shall be retained on the sidewalk.

Signs in the Right-of-Way without an Adjacent Sidewalk

The sign shall be located outside of any street pavement and may not be located closer than Four (4) feet from the travel lane, turning lane, shoulder, parking lane or bicycle lane.
