| <i>Description: Applicant to install new 4" sewer service lateral on Holcomb Boulevard. Sewer lateral shall be open trench and plated for alternating traffic. Sewer Boring will not be acceptable due to insufficient clearance with the other utilities in the street. Open trench sewer installation will be required. Hours of construction shall be between 9am-3pm to avoid heavier traffic flows. Work shall not occur on holidays or sundays. Work zone area should allow access to the neighboring property 14231 Holcomb Boulevard. Flaggers and construction signage should be provided on both sides of the work zone. Hunter Avenue will need signage as well. Confirm sign spacing and flaggers meet MUTCD standards. Because Holcomb Boulevard is an arterial street, full standard trench restoration will be required.</i> |                            |                      |              |   |                |               |                 |
