Group Lessons (9, 27 min classes)	\$50 R   \$70 NR	101-200 people (1 ADA restroom and 1 drop box)			\$750	\$800	<p>The Oregon City Parks and Recreation Department has invested in a department-wide cost recovery analysis and policy creation to help sustain and grow efforts to create play, protect habitat, and enhance recreation opportunity for the Community.</p> <p>The Cost Recovery analysis required a consultant to compile, analyze, and then guide the development of a strategy reflected in the adopted Financial Support and Sustainability Policy. If a parks and recreation service or program is more individualized then the program is subsidized at a lower rate, while programs and services that have a higher community benefit receive higher subsidies.</p> <p>Changes to rates and subsidies begin July 1, 2022. Notice of Rate Increases: Updated fees will be enacted on July 1st, 2022. For an example of fee increases and the Swimming Pool's new membership structures, please see the fee schedule, continuum, etc. below.</p> <p style="text-align: center;">Ongoing Efforts to Maintain Equitable Programs: These changes allow parks and recreation to maintain financial stability as well as provide more equitable events and services to the community. The changes include providing more scholarships, allowing payment plans, and more.</p>
